

# STUDIO HENK

We are Studio HENK, a Dutch furniture design studio. Inspired by daily moments we design furniture for everyday life.

We believe that furniture design isn't just about creating a beautiful piece; it's about designing furniture for everyday use. Therefore, we make furniture pieces that are both aesthetic and functional. All pieces from our collection can be customised. That way, you can create a piece of furniture that is exactly what you need to enjoy your day-to-day life. Our collection consists of all the types of furniture you need for your living and dining space, office or restaurant.

Cosy

The Cosy is a voluptuous sofa that invites you to slow down, rest, restore, laugh and play. The soft shapes of the sofa make you want to never get up again. The modular sofa consists of different elements that you can combine in any way you desire.

Rather than picking a sofa, you pick each element you would like to have. The elements have different shapes, allowing you to really get creative with the design. What about a sofa in the shape of a half circle?
